

SHLI's Dr. Kisha Holden Appointed to GE-NMF Advisory Board

SHLI Deputy Director [Dr. Kisha Holden](#) has been appointed to the advisory board of the [GE Foundation-National Medical Fellowships \(NMF\) Primary Care Leadership Program \(PCLP\)](#). Since its inception in 2012, more than 300 medical, nursing and physician assistant students have participated in externships in partner Community Health Centers (CHCs) throughout the country. With the support of the GE Foundation, NMF is developing a leadership curriculum that focuses on integrated behavioral health in primary care.
