

*Thirty - Eighth  
Fall Convocation &  
White Coat and  
Pinning Ceremony*

FRIDAY, SEPTEMBER SIXTEENTH  
TWO THOUSAND AND TWENTY TWO  
TEN O'CLOCK AM

MOREHOUSE SCHOOL OF MEDICINE  
720 WESTVIEW DRIVE SW  
ATLANTA, GEORGIA 30310

# PROGRAM

**Valerie Montgomery Rice, MD, FACOG**  
President and CEO

## *Call to Order*

**Cinnamon Bradley, MD, FACP**  
Associate Dean for Student Affairs  
Professor, Internal Medicine

## *Processional* *“Soar”*

Words and music by Jerry E. Peters  
**Ms. Ida Mhunduru**

## *Invocation*

**Rev. Marvin L. Crawford, MD, MDiv**  
Chaplain  
Associate Professor, Internal Medicine  
Senior Pastor, First Saint Paul African Methodist Episcopal Church

## *“The Star Spangled Banner”*

Words by Frances Scott Key  
**Ms. Ida Mhunduru**

## *“Lift Ev’ry Voice and Sing”\**

Words by James Weldon Johnson  
**Ms. Ida Mhunduru**

## *Opening Remarks*

**Valerie Montgomery Rice, MD, FACOG**  
President and CEO,  
Morehouse School of Medicine

**Joseph (Adrian) Tyndall, MD, MPH**  
Executive Vice President for  
Health Affairs and Dean

## *Class Remarks*

**Juan Gomez**  
President,  
GEBS Student Government Association

## *Acknowledgment of Donors/Awardees*

**Valerie Montgomery Rice, MD, FACOG**

### *Introduction of Speaker*

**Joseph (Adrian) Tyndall, MD, MPH**

Executive Vice President for Health Affairs and Dean

### *Convocation Address*

**Sandra Harris-Hooker, PhD**

Senior Vice President for External  
Affairs and Innovation

### *White Coat and Pinning Ceremony*

**Martha Elks, MD, PhD, FACP, FACE**

Senior Associate Dean, Educational Affairs  
Professor, Medical Education Professor, Medicine

**Pangela H. Dawson, PhD, MSPAS, PA-C**

Assistant Dean, Department Chair,  
Founding Program Director  
Department of Physician Assistant Studies

**Danita Eatman-Daniels, PhD**

Associate Dean, Graduate Studies  
Associate Professor, Medical Education

**Stephanie Miles-Richardson, DVM, PhD**

Associate Dean, Graduate Education in Public Health  
Director, Master of Public Health Program  
Professor and Chair, Department of Public Health Education

### *Closing Remarks*

**Joseph (Adrian) Tyndall, MD, MPH**

### *Benediction*

**Rev. Marvin L. Crawford, MD, MDiv**

### *Recessional* *“Soar”*

Words and music by Jerry E. Peters  
**Instrumental**

### *Staggered Dismissal*

**Joseph (Adrian) Tyndall, MD, MPH**

Students dismissed by academic program.

# SANDRA HARRIS-HOOKER, Ph.D

*Senior Vice President for  
External Affairs and Innovation*

Dr. Harris-Hooker began her career earning a degree in Biology from Dillard University. Subsequently, she went on to earn her Ph.D. in Developmental Biology from Atlanta University (now called Clark Atlanta University). Upon completion off her PhD, Dr. Harris-Hooker spent three years in the Cardiovascular Research Fellowship Program at the University of Washington School of Medicine. Following her postdoctoral training, she served on the faculty of the Department of Pathology at Boston University School of Medicine before joining the faculty in the Department of Pathology and Anatomy at Morehouse School of Medicine. She currently serves as Senior Vice President for External Affairs and Innovation.

Dr. Harris-Hooker's primary research interest is in Cardiovascular Pathology with an emphasis on the pathogenesis of atherosclerosis. Further, she is also interested in ways by which to enhance the integration of basic, clinical, and population-based research to address disparities in health.

Dr. Harris-Hooker has been instrumental in directing or facilitating several institutional research programs at MSM which have aided in enhancing the research training and research infrastructure for student trainees and faculty. These programs include the Research Training Initiative for Student Enhance (RISE), the Research Centers in Minority Institutions RCMI, the Clinical Research Center (CRC), the Cardiovascular Research institute (CVRI), and others. She is a member of several local and national boards in a continued effort to move impactful initiatives from health disparities to health equity.

She has also been a member of several professional organizations and served in an advisory capacity on several external committees such as the Journal Ethnicity and Disease Editorial Board, NASA-Biomedical Research Institute, Association for the Accreditation of Human Research Protection Board of Directors, Association of Minority Health Professions Member, YMCA Villages at Carver Board of Directors, American Heart Association Research Committee, Executive Leadership in Academic Medicine, among others.

# MOREHOUSE SCHOOL OF MEDICINE

## LEARNING COMMUNITIES

A learning community is a group of individuals sharing common goals, values, and ideas that actively engage in learning with and from each other.

Our Quality Enhancement Plan (QEP) project, entitled “Mentoring Students at Morehouse,” began in the fall of 2011. The QEP project was developed strategically to align with initiatives to expand the Institution’s educational programs and sustain the highest standards of teaching, excellence, and professional competence. Its primary objectives are to train faculty mentors, mentor academically challenged students, and mentor all students through learning communities.

Learning communities are student-led and mentor-facilitated educational sessions that take place in a supportive team environment.

The expected outcomes of learning communities are:

- *Improvement of learning outcomes for our students, including skills, grades, scores, and time to degree;*
- *Development of long-term supportive relationships through mentoring sessions, and*
- *Development and/or enhancement of faculty members’ skills and capacities as mentors.*

All Morehouse School of Medicine students are grouped into learning communities.

Medical students (MD) are grouped into the 12 learning communities of Knowledge, Innovation, Compassion, Wisdom, Excellence, Leadership, Integrity, Service, Commitment, Discovery, Equity, and Inclusion.

Students in the Master of Science in Physician Assistant Studies (MSPAS) are placed across three learning communities: Justice, Honor, and Service. Each community is also identified by a corresponding name of a pioneering African-American physician or physician assistant: Richard Smith, MD; Joyce Nichols, PA-C; and Prentiss Harrison, PA-C, respectively.

Graduate students in biomedical sciences are grouped by the degree levels of Doctor of Philosophy in Biomedical Sciences (PhD); Master of Science in Biomedical Research (MSBR); Master of Science in Biotechnology (MSBT), MSBT with Medical Cannabis Therapeutics Concentration, Master of Science in Health Informatics (MSHI); Master of Science in Clinical Research (MSCR); Master of Science in Medical Sciences (MSMS); and Master of Science in Neuroscience (MSNS).

Graduate students in public health are grouped by the degree levels of Doctor of Health Administration (DHA), Master of Administration in Justice-Involved Care (MAJIC) and the Master of Public Health (MPH) students also participate in learning communities that are grouped by life stages.

# MERIT SCHOLARSHIPS

Merit scholarships are awarded to students who display exceptional scholastic ability as evidenced in their academic performance. These include scholarships awarded up to four years, conditioned on maintaining high academic standards during matriculation. Extraordinary donors of MSM help enable the school to honor these deserving students. The first-year students awarded merit scholarships in 2022-2023 are listed as follows\*:

## MERIT SCHOLARSHIPS (MD)

Terrell A. Brown  
Angia X. Chen  
Naomi R Coles  
Camille-Joy M. David  
Anaqa F. Faizer  
Austin Fretwell  
Jessica Goodwin  
Zada D. Grandberry  
Nyah O. Hawkins-Harrison  
Joshua Hines  
Deborah C. Ijebuonwu  
Mikaela Jarrell  
Tianna D. Milligan  
Hung Nguyen  
Jalen K. Norris  
Ayesha Quadri  
Sydney Ragland  
Sydney E. Ross  
Lauren C. Ryan  
Simone Salter

## BEATRICE WELTERS SCHOLARSHIP (MD)

Berlandson Saint Julien  
Julia V. Vasquez-Gonzalez

## MERIT SCHOLARSHIPS (PA)

Lauren Accor  
Yonis I. Ahmed  
Patchika M. Aubourg  
Katherine H. Bandstra  
Sandra N. Barsoum  
Hillary A. Birago  
Shautoria D. Coleman  
Tiffanie L. Evans  
Seth C. Fallen  
Courtney M. Hardy  
Brianna M. Hill  
Danielle E. Iyoha  
Eric C. Jamison  
Emma A. Kemink  
Aaliyah N. Numa  
Teniola F.Oke  
Daisha J. Strobridge  
Detavius Veal  
Madeleine Vinet  
Raven C. West  
Nadia B. Wright

**MPH HONORS SCHOLARSHIP (MPH)**

SCHOLARSHIP (MSBR)**

Ayomide Olayiwola  
Awa Sore

*\* Additional MD1 students will be awarded*

*\*\*All students in MSBT, MSHI, MAJIC and DHA Programs receive scholarship awards*

## MEDICAL STUDENT OATH OF SERVICE AND RESPONSIBILITY

As I begin the study of medicine, I do solemnly swear by that which I hold most sacred, that my efforts will be focused on the ultimate goal of serving my future patients. Toward this end, I will conscientiously and cooperatively work with my peers and professors in learning the art and science of medicine. I will regard the patients whom I will encounter in my training, as fellow human beings, and will do everything in my power to preserve their dignity. I will not compromise myself, nor endanger the welfare of my future patients by employing unworthy methods in the pursuit of my education.

I pledge to perform to the best of my ability and to engage in continuous self-evaluation in an effort to address my limitations. I will never hesitate to call upon the assistance of others when indicated.

I recognize that the study of medicine is a life-long responsibility; I pledge to continue to educate myself throughout my career and to constantly engage in a critical re-examination of myself as a rational, emotional, and spiritual human being.

---

## PHYSICIAN ASSISTANT PROFESSIONAL OATH

I pledge to perform the following duties with honesty and dedication:

I will hold as my primary responsibility the health, safety, welfare and dignity of all human beings.

I will uphold the tenets of patient autonomy, beneficence, non-maleficence and justice.

I will recognize and promote the value of diversity. I will treat equally all persons who seek my care.

I will hold in confidence the information shared in the course of practicing medicine.

I will assess my personal capabilities and limitations, striving always to improve my medical practice.

I will actively seek to expand my knowledge and skills, keeping abreast of advances in medicine.

I will work with other members of the healthcare team to provide compassionate and effective care of patients.

I will use my knowledge and experience to contribute to an improved community.

I will respect my professional relationship with the physician.

I will share and expand knowledge within the profession. These duties are pledged with sincerity and upon my honor.

## CEREMONY

### A SCIENTIST'S PLEDGE

I accept this opportunity to follow the difficult and rewarding path of biomedical science and clinical research.

I will endeavor to honor all those who have contributed to this opportunity by always working to the utmost of my abilities and by increasing those abilities when possible.

I will strive to advance fundamental knowledge about all living things.

I pledge to use my energy, intellect and education to enhance the lives of all mankind, understanding that often the greatest strides are made through efforts to assist the dispossessed and underprivileged in our world.

I will carefully consider and remain mindful of the ethical implications of my work.

I will never use my gifts and skills to intentionally harm any individual, or group.

In planning and carrying out my work, I will treat this planet and all its life forms with honor and respect.

I will honor and respect the efforts of my teachers, taking great care always to give credit where credit is due and always humbly understanding that all that I see, I see by standing on the shoulders of the many scientists who have gone before me.

I will also honor and respect my students and all who rely on that which I have learned, striving to truthfully and openly disclose all my methods, findings, and conclusions

So long as I adhere to this pledge, may I have continued success in the field of biomedical science and clinical research.

# INTERNATIONAL DECLARATION OF HEALTH RIGHTS

Health requires peaceful and equitable development and  
collaboration of all peoples.

The enjoyment of the highest attainable standard of health is  
one of the fundamental rights of every human being. It is not a  
privilege for those with power, money, or social standing.

Health is more than the absence of disease, but includes  
prevention of illness, development of individual potential, a  
positive sense of physical, mental, and social well-being.

Health care should be based on dialogue and collaboration  
between citizens, professions, communities, and policy makers.

Health service should be affordable, accessible, effective,  
efficient, and convenient.

Health begins with healthy development of the child and a  
positive family environment.

Health must be sustained by the active role of men and women  
in health and development. The role of women and their welfare  
must be recognized and addressed.

Health care for the elderly should preserve dignity, respect, and  
concern for a sustainable environment with balanced human  
populations growth and preservation of cultural diversity.

Health depends on the availability to people of basic elements:  
Food, safe water, housing, education, productive employment,  
protection from pollution, and prevention of social alienation.

Health depends on protection from exploitation without  
distinction of race, religion, political-belief, economic or  
social condition.

OATH: WE as people concerned about health improvement in  
the world do hereby commit ourselves to advocacy and action to  
promote the health rights of all human beings.

# NATIONAL ANTHEM

## *The Star Spangled Banner*

*Francis Scott Key*

Oh, say can you see by the dawn's early light  
What so proudly we hailed at the twilight's last gleaming?  
Whose broad stripes and bright stars thru the perilous fight,  
O'er the ramparts we watched were so gallantly streaming?  
And the rocket's red glare, the bombs bursting in air, Gave proof  
through the night that our flag was still there.  
Oh, say does that Star - Spangled Banner yet wave  
O'er the land of the free and the home of the brave?

# “SOAR”

*Jerry E. Peters*

Solemnly, we are poised to pursue  
Our journey to that privileged place  
Humbly, we will answer to our call  
As we walk through these hallowed halls of hope  
For with our hearts, willed to serve by commitment  
And with our minds built to solve mysteries  
Though we seem bound for one endless destination  
Yet we will boldly spread our wings  
as we soar to the highest place of dreams  
Proudly, we will stand forever tall  
As we face the giants of life  
Then watch them fall  
Bravely, we will fight to endure  
As we seek some earthly cure  
For all mankind  
For as we stand on the shoulders of others  
Whom all have graced this noble place from ages past  
We know with God on our side  
We can broadly take our strides  
As we soar to the highest place of dreams  
As we soar to the highest place of dreams  
As we soar to the highest place of dreams  
Soar Morehouse, Soar

# LIFT EV'RY VOICE AND SING

*James Weldon Johnson*

Lift ev'ry voice and sing  
'Til earth and heaven ring,  
Ring with the harmonies of liberty,  
Let our rejoicing rise  
High as the list'ning skies,  
Let it resound loud as the rolling sea.  
Sing a song full of the faith that the dark past has taught us;  
Sing a song full of the hope that the present has brought us;  
Facing the rising sun  
Of our new day begun,  
Let us march on 'til victory is won.

# GENERAL INFORMATION 2022

## CONVOCATION & WHITE COAT AND PINNING CEREMONY MOREHOUSE SCHOOL OF MEDICINE

### **Platform Party:**

**Dr. Valerie Montgomery Rice**  
President and CEO

**Dr. Joseph Adrian Tyndall**  
Executive Vice President for Health Affairs and Dean

Tucker Castleberry Printing and KreativTouch Group.

---

*We have made every effort to provide a complete and  
accurate listing of information.*

*Please accept our sincerest apologies if we have made  
a mistake or omission.*

Morehouse School of Medicine exists to:

- Improve the health and well-being of individuals and communities
- Increase the diversity of the health professional and scientific workforce
- Address primary health care through programs in education, research, and service

With emphasis on people of color and the underserved urban and rural populations in Georgia, the nation, and the world

---

MSM recognizes Constitution Day during its Fall Convocation activities. This day commemorates the formation and signing of the U.S. Constitution by 39 brave men on September 17, 1787, recognizing all who are born in the U.S. or by naturalization have become citizens.

720 Westview Drive SW  
Atlanta, Georgia 30310-1495
